

Introducing the all-new Clarity AlertMaster® Visual Alert System.

Clarity AlertMaster® AL11™ Visual Alert System

- Flashing visual alert indicators indicate incoming phone calls or knocks on the door
- Accessories allow you to expand the system to monitor according to your specific needs
- Built-in lamp flasher
- Includes doorbell
- Simple setup - no hardwiring required

Clarity AlertMaster® AL10™ Visual Alert System

- Flashing visual alert indicators indicate incoming phone calls, alarm clock, doorbell, smoke detector, motion sensor or ambient sounds
- Accessories allow you to expand the system to monitor according to your specific needs
- Built-in lamp flasher
- Large 3.5" clock display
- Includes doorbell and bed shaker
- Simple setup - no hardwiring required

Clarity AlertMaster® AL12™ Visual Alert System

- Flashing visual alert indicators indicate incoming phone calls, alarm clock, doorbell, smoke detector, motion sensor or ambient sounds
- Accessories allow you to expand the system to monitor according to your specific needs
- Built-in lamp flasher
- Simple setup - no hardwiring required
- Requires an AL10 or AL11 master unit to function
