

VIBRATING ALARM CLOCKS

For the Deepest Sleepers

Sonic Boom Analog Alarm Clock

Model SBA475ss

The new Sonic Boom Analog Alarm has been designed for those that prefer the ease of use of an analog alarm clock. With an easy to set alarm, no am or pm to be confused and easy to see extra large display with cool blue back light and pulsating alarm lights...

- Packaged with our most powerful 12-volt bed shaker
- Sharp blue back light also flashes when alarm rings
- Complete with a Hi/low dimmer switch to sleep better at night.
- Extra loud audio alarm, loud 113db adjustable tone & volume control.
- Battery backup maintains proper time and alarm setting in the event of power failure.
- 1 Year Sonic Alert warranty.

Dual Power & Dual Time features:

Our SBA475ss comes with a 110 volt power supply, will also work with an optional 220 volt transformer.

Optional adapters available for British and German type power connections
