

# Sonic Alert SBR350ss

The Sonic Alert SBR350ss has been designed as a cost effective full featured bed side alarm clock with an extra large 1.8" easy to read display, powerful bed shaker and FM Radio.

## Features:

- 113 db extra-loud alarm (with adjustable tone & volume control)
- SS12VW Super Shaker™ bed vibrating unit
- Extra large 1.8" easy to see bright green display
- FM Radio
- 2-level Dimmer
- User selectable snooze time 1-30 minutes your choice
- User selectable alarm duration from 1-59 minutes
- User selectable 12 or 24 hr time format
- Improved battery backup
- Alarm & Bed Shaker test mode
- New green power technology now uses 60% less energy
- New switching power supply works with 120 and 220 volts. When using a travel adapter with this new power supply you can simply plug in anywhere throughout the world. A travel adapter changes the plug configuration so your SBR350 can adapt to any type or plug outlet.
- One-year Sonic Alert® blast-proof warranty
